1. Two Taluk Toddy farms are mixed up in the above reference:—

(a) Bangalore Taluk including cutbiffand Station for 1892-93 - Mr. Patrappa Contractor.

(b) Anekal Taluk for 92-93 - Chickannachetty Contractor.

2. Two lists of papers have been prepared giving briefly the points touched on in each paper in the two files 1950 & 62 H, and a separate summary of each case (a) & (b) is given here.

(a) Bangalore Taluq Patrappa } 3. The Dy Commissioner requested Govt direct, to sell the Toddy Farms of Bangalore and the application was referred for disposal to the Excise Commissioner. The latter ordered the attachment of collections and property of the defaulting contractor, & his surities, and the sale thereof to satisfy arrears due. Govt sanctioned coercive measures taken and called for results in form given.

from considerations of equity felt disposed to order the balance of Rs 35-43 with Interest thereon, being written off the accounts. That he should receive addition to his claim a refund of another loan sum or would that in lieu of such refund a remission be granted on account of another form for which he was [illegible] quite unreasonable.

3. If about from the top said to have been reclaimed by Natabhai as Vend former of the Bavalas Talukas, Meat is any case for remission of the balance due by the deceased farmer the matter must form the subject of a separate recommendation so that the

As a matter of grace & on grounds of equity, the Dewan was pleased to promise a remission of Rs 35-43 and withdraw all the balance due from Natabhai. The remission was formally recommended with request that, same accordingly be sanctioned.

2 No case for any remission on account of the Annual Jama has been made out. The Deputation report dt 15/3/94 shows that there was no foundation for complaint that Natabhai was dispossessed by Vanamo Madanmohan Mehta and that Natabhai was dispossessed by him. The fact that Natabhai reclaims a lap he did not entitle him to any remission. The Govt recommend

monthly rental, including cess, is Rs 5,866-6-2 while Patrappa bound himself to pay Rs 6,454-11-0 or Rs 588-2-10 more than monthly than Govt. get now, or a loss of Rs 7,058-2-0 for the year of Patrappa's lease, & as Government remitted Rs 3,543/12/6 Patrappa is therefore entitled to a remission of the balance of the said loss or Rs 3,514-5-6. (There is an error in the Dy. Commr's figures which are corrected here in red ink) -

9. The settlement of the Station claims having been already effected in 1893, will render a further remission inconvenient; as it will necessitate the whole question being reopened, which had been fully considered on all points and settled in 1893. —

10 - The balance realized by the sale of another portion of timber, Rs 806-2-0 with any other assets may be adjusted against the claims of the Aorekal Toddy Revenue for 92-93. Vide separate note put up. as Patrappa is the party.

Court may pass such order on it as may be justified by the circumstances of the case.

4. As regards the proceeds of timber sold to Mr Vydianathan Iyer, no order is necessary. The local authorities may be left to deal with it in such manner as they may consider proper.

This petitioner is a Surety for Chickanna Setty, the Sowkar Kanad Tanner of the Anekal Taluk for 92-93. ~~In reference~~ With reference to the recommendation made for writing off the arrears due from the ~~Anekal~~ Chikkanna Setty ~~Taluk~~, the Govt: have ordered in Procs No: 3784-5 / Ex 109 & 18th October 95 (Serial No: 34) that no ease for any remission has been made out on account of the Anekal Taluk.

The petitioner now complains that though Chickanna Setty's property (valued at Rs 3300/- as per enclosure (2) of the petition) which was attached in 93 - has not yet been sold, the petitioner is being served with demand notices. The petitioner further states that Chickanna Setty has in the meanwhile with a view to defraud Government and the petitioner, mortgaged the attached property and by some contrivance managed to get a decree to the effect that the property has to be divided into 6 shares. Patrappa prays that the balance due from Chickanna Setty be remitted and that Rs 806/- being the sale proceeds of his timber sold to Mr Vidyanatha Iyer be returned to him. As regards this sum, the District authorities

were left to dispose of it in any manner they deemed proper (Vide para 2 of Govt: Prop: No: Serial No: (34)). The petitioner prays that the amount of interest (Rs 355-10-2) may at least be remitted if the Govt cannot remit the whole of the ~~balance~~ arrears, and that he would pay the balance if anything remains even after such Remission and sale of the properties now attached and 2 others he would be going to show.

May the petition be forwarded to the Excise Commr. for ~~report on the allegations of the petitioner~~? disposal or report if necessary

From

To

The Chief Secretary to the

Dewan of Mysore

Sir,

In reply to your letter No. 8218 R. F. 195-92 dated 18th November 1893, I have the honor to forward, herewith, copy of a Statement received from the deputy Commissioner, Bangalore district, showing particulars of the amounts realized from Patrappa, Toddy vend Farmer of the city and Station and Taluk of Bangalore, for a period of 12 months from 1st April 1892 to 31st March 1893. Towards the liquidation of the balance of Rs 15,331-4-3

shown

shown in this Statement, Satrappa has sold 1158 logs out of his teak timber at Mysore for Rs 10,571-13-1 to Mr. G. Narasimmiah through the Deputy Commissioner, Mysore District, as reported in this Office letter No. 1757/202 dated 22d November 1893; and he is trying to sell the remaining timber which is now under attachment at Mysore, in view to make up the balance still due by him. Excluding interest, the arrears due by him, amounts to Rs 3,543-12-6. He has petitioned me, complaining that he was not put in possession of certain important date groves, and therefore he could not obtain sufficient supply of toddy; that owing to this fact added to other circumstances, he has sustained a heavy loss of Rs 25,000; and that Government should therefore be pleased to favor him with a remission of Rs 10,000. The Deputy Commissioner reports that

Satrappa's

Patrappa's accounts do not seem to have been regularly kept, and that the loss sustained by him may probably be between 15,000 and 20,000 Rupees. I have learnt from reliable sources that the loss amounts to nearly Rs 22,000. Under all the circumstances of the case, I would recommend that the Government may be pleased to permit the arrears still due by him, namely Rs. 3543-12-6 + all interest which amounts to Rs 1286-3-11 up to the end of November 1893, aggregating Rupees 4,830-0-5.

2. The amount realized from Patrappa, being Rs 73,912-7-6 including the cost of the timber purchased by Mr. G. Narasimmiah, namely Rs 10,571-13-1, a bill for Rs 26,912-12-7 being the proportionate share payable to the Civil and Military Station, is prepared and submitted herewith for sanction and transmission to the Comptroller for audit + payment

3. Copy of a Statement dated 14/15th December 1893, received from the Deputy Commissioner, Bangalore District, showing the receipts and expenditure in the Bangalore Amani Toddy Farm from April to October 1893, is also herewith Submitted, together with a bill for Rs 7,272-3-5 being the proportionate Share of Toddy Revenue payable to the Station for the two quarters ended 30th September 1893.

4. The Amani Farm will close at the end of 31st December 1893, when a bill for the revenue payable to the Station for the quarter ended 31st December 1893, will be Submitted, the same course being followed at the end of each quarter as per instructions Conveyed in your letter No. 15215, dated R.F. 195-92 14/15th March 1893.

Sir,

In reply to your letter No: 4300 648-86 of 14th Instant and adverting to previous correspondence on the subject I am directed to say that the Comptroller has this day been instructed to pay into the Residents Treasury the sum of Rs 34,205- on account of the share of Zoodly Revenue payable to the C & Dr. Station from 1st April 92 to 30th September 1893, as per the Devans Memo copy of which is herewith enclosed for information.

I am to add that a sum of Rs 3,543-12-6 (being the balance due from the late contractor Patrappa) is recommended for remission by the Excise Comm. To,

The Revenue Secretary to the
Government of Mysore.

Sir,

Adverting to the correspondence ending with the late Officiating Chief Secretary's docket No. 14383 R.F. 195-92, dated 9/12th March 1895, I have the honor to state that the balance of Rs. 87 due by Subbappah on account of the arrears of his Toddy Contract of the Bangalore taluk for 1892-93, having been recovered from G. Narasimmiah who purchased the attached teak timber of Subbappah, and remitted to the Bangalore District Treasury by the Deputy Commissioner, Mysore District, on the 18th April 1895, I requested the Deputy Commissioner of the Bangalore District, on the 29th idem, to submit a Remission Statement for the sum of Rs. 3543-12-6 which

which was promised by Govern-
-ment to be remitted in favour
of Patrappah, as per para 2 of
Chief Secretary's letter No. 9836/R.F. 195-92,
dated 21st December 1893. to the
Resident, a copy whereof was sent
to me with Memo No. 9838/R.F. 195-92,
dated 21st idem. Accordingly the
Deputy Commissioner has submitted
with his docket No. 15 of the 12/13 th
instant, a Remission Statement for
Rs. 3543-8-10. This Statement includes
also the interest due by Patrappah,
viz. Rs. 2145-2-2. I beg to request
that the principal of Rs 3543-8-10,
together with all interest due up to
date, may be ordered to be written
off the accounts of the Bangalore
taluk.

2. Patrappah complained that he
suffered a heavy loss of more
than Rs. 30,000, and prayed that
his actual loss might be remitted
in his favour. I requested the
Deputy Commissioner to enquire
and report on his complaint. A
copy of the Deputy Commissioner's
report thereon, No 252, dated 15th
March 1894, is herewith submitted
for the information of Government.
It will be seen from it that

Patrappah

(42)

Patrappah sustained considerable loss in working his Toddy Contract of the Bangalore taluk for 1892-93. In addition to Rs. 3543 which the Government has already promised to remit, the Deputy Commissioner recommends a further remission of Rs. 3514 in Patrappah's favor. As all the arrears due by Patrappah for the Bangalore taluk, except the said sum of Rs 3543-8-10 to be remitted by Government, have been collected, I informed the Deputy Commissioner that he might submit a Remission Statement for the arrears due by him on account of the Anekal taluk, in view to further compensate Patrappah for his loss. There is a balance of Rs. 1866-11-3 outstanding against Chickannah Shetty on account of his Toddy Contract of the Anekal Taluk for 1892-93. The Deputy Commissioner states that though the contract stood in Chickannah Shetty's name, yet the real Contractor was Patrappah who was Chickannah Shetty's personal security for the contract. Chickannah Shetty is said to be a pauper. The Deputy Commissioner has accordingly sent a Remission statement, for the arrears of the Anekal taluk. I beg to recommend that the principal sum of Rs. 1866-11-3, together with interest

up

up to date, may be ordered to be written off the accounts of the Anekal taluk.

3. In conclusion I beg to report that when Patrappah's teak timber at Mysore was under attachment, Mr. Vaidyanath Iyer, Bangalore City Magistrate, purchased, with my permission, a portion of it for Rs 806-2-0 from Patrappah. This money which I recovered from Mr. Vaidyanath Iyer, has been kept in deposit in the Bangalore District Treasury, pending the orders of Government on the two Remission Statements herewith submitted, on account of the arrears due by Patrappah for the Bangalore and Anekal taluks.

Sir,

I have the honor to report on Pattrappa's petition sent to me for report with your docket No. 5626/121, dated 4th April 1893, and in reference to your official memorandum No. 2383 dated 22nd December last, 139, forwarding copies of correspondence ending with the Chief Secretary's memo No. 9838/R.F. 195-92, dated 21st/22nd December 1893.

2. Pattrappa complains that the marginally mentioned* villages of the Nelamangala taluk, which had been assigned to him according to his muchilika, were not made over to him. During the currency

of the lease, he never complained of this. He makes the complaint for the first time after the expiry of the lease. I enclose certain petitions presented while the lease was current in which he complained of the Lushukatte vanam not having been made over to him; but you will find from the enclosed statement of Pattrappai's vanam Mutsaddy Raghavendra Row, that this vanam was made over to him subsequently.

3. As regards his alleged loss, I have purposely delayed reporting on this point in order to be able to base my report on the experience gained by us since his lease ceased, comparing the rent he agreed to pay with what we have secured for the Salak Shops, and now for the town Shops.

4. The amani management brought very low results which cannot from the basis of a very suitable decision on Pattrappai's petition.

Rudrappa's lease of the town shops and the rents of the taluk shops and vacants afford a more satisfactory data. These put together represent the utmost that the Government could fairly expect as we left no stone unturned to get more, but failed. Our present monthly rental including the cess is Rs 5866-8-2. The monthly rent of Patrappa's lease ~~was~~ Rs 6454-11-2 Thus Pattrappa bound himself to pay monthly Rs 588-3-2-10 more than we get now, which for the period of his lease amounted to Rs 7058-2-0. He has been granted a remission of Rs 3,543-12-6 as per Dewan's memo forwarded to the First Assistant to the Resident in Mysore with Chief Secretary's No. 9836/A.F.195-92 dated 21st December 1892 I considers that he is entitled to a further remission of Rs

42

Rs 3514-5-6. He has sustained a heavy loss which you have estimated at Rs 20,000; and which is certainly not less. At least a half of this he could not have avoided with the most efficient management.

I enclose the records connected with the Subject.

(1). In the statement received with the Deputy Commissioner's No. 230, dated 18th May 1893, the balance of Toddy Revenue due for 1892-93 for the Anekal Taluk, is shown to have been *Rs 3,152-8-10 on 1st February 1893.

(2) In the Deputy Commissioner's docket No. A 13 dated 10th July 1893, it is stated that the amount collected in the Toddy Shops and from Chickannah Chetty's Shikaris Dyardars, is Rs 1,714-8-3. If this amount be deducted

deducted from the above Rupees 3,152-8-10, the balance would be Rupees 1,438-0-7. But in the statement received with the Deputy Commissioner's No. 15, dated 12th/13th July 1895, the balance is given as Rupees 1,866-11 3. How are these figures to be reconciled.

I have the honor to state that the Deputy Commissioner, Bangalore District, having reported that the balance due by Pattrappah for the Bangalore taluk, for 1892-93, is only Rs. 3543-8-10, and having therefore requested permission to adjust the difference of Rs 0-3-8 towards the arrears due by Pattrappah

ABSTRACT

Appeals against the order of the Dy. Comr. Bangalore District - No. 105 of 4-3-98 which is as follows:-

As Chikkamma Ally has failed to pay the toddy amount due by him to the Anekal Taluk for the year 1892-93 his property and also the property belonging to you, this Court, as the property of the former is considered to be insufficient to satisfy the outstanding - have been attached. Chikkamma's property will be sold first - If the sale realisation do not satisfy the outstanding in full the

our property will be sold.

The petitioner says:-

Chikkanna Setty was the lowest Contractor of Arrack Salab for the year 1892-93. Petitioner was the surety for the due performance of Chikkanna Setty's contract, which was on 31-8-93 there was an outstanding against him. Consequently the property of the said Chikkanna Setty, viz. his House and Shop in the Fort Bel-Bungalow was attached.

There was an outstanding of Rs. 32,000 and odd against the petr. towards the lowest Contract of the Bungalow Salab. The authorities attached his timber and other property. When he knowed the amount the petr. remitted the interest on the said amount.

In 1894 Chikkanna Setty applied to the Dy. Comr. for remission. The Dy. Comr. called for the petn and enquired into the matter. He represented his difficult circumstance then and requested him that he might be relieved from the Security-ship and that remission might be granted to him.

He learnt that thereupon the Dy. Comr. recommended to the Excise Comr. for the grant of the remission. That on this the Collector addressed the Govt. in the matter. That Govt. acceded to grant remission in the above case, the petn prayed and decided

P & P

that the sum of Rs. 806 being the value of his timber might be credited towards the outstanding due by Chikkamma Lelly and that the balance should be recovered - Unfortunately he was unaware of this recommendation - Hence he did not address a petn. in the matter.

He is at a loss to know the cause why Chikkamma's property which was attached in 1893, was not sold in satisfaction of the arrears due by him -

Chikkamma Lelly and his father Andanappa with a view to defraud the Govt and the petr have mortgaged the attached property to Narappa Narasimmanna of the Sunkal Shop for Rs. 1200/- stating that they are self acquired property - On 24-2-98 the petr. brought this fact to the notice of the Dy. Comr. who issued notice for the appearance of the said Narappa and others.

Chikkamma Lelly has through misrepresentation obtained a false deed to the effect that there are six coowners, who are his proyatis, to the said property and that he is entitled to only one-sixth of the said property - Moreover Narappa has filed Suit No. 101 of 1897-98 against the said Chikkamma Lelly and Andanappa in the Munsiff Court at Bangalore

for the rent due to him. Chikkanna Setty without mentioning anything about the disputed has only been contending that the rent claimed is high - but has not spoken anything about the mortgaged property.

although five years have elapsed since the attachment of the above property yet the Taluk authorities without disposing of the said property by auction have been issuing notices to him frequently.

In 1897 the petr. received a demand notice. Thereupon he represented to the Dy. Commr. who in his order d/20-4-97 (copy enclosed) directed that the amount should be recovered from by the Sale of Chikkanna Setty's property.

The Taluk authorities having again issued a notice to him, he represented to the Dy. Commr. who passed the order under reference

The Taluk authorities without disposing of the attached property have been issuing notices to him. This is not only against the Executive rules but also the orders passed in the matter.

The petr. prays that the sum of Rs. 1860 due by Chikkanna Setty may be realised and that the sum of Rs. 706 deposited by him first by Mr. Vijayanath Dyer on account of the timber belonging to petr. may be refunded to him. If this cannot be done the interest viz. Rs. 353-10-7 which is included in the above sum of Rs. 1860

This sum viz Rs 805-
left with the District
for

may be permitted.

The Authorities have on the issue of Dy. Comm's order of 4-3-98 notified the Sale of the attached property would be held on 29-4-98. The petitioner has also submitted a Schedule of two other properties which Chikkamallappa had concealed. to the Dy. Comm. on 23-4-98 orders may be issued for the attachment and Sale of the above property also.

If the Sale realisation of the above property would not Satisfy the Govt dues (1485-355-10-7) = 1060 he would pay the balance.
